

Mr. CARNAHAN. Madam Speaker, today I would like to honor Saint Louis community leader Isadore Erwin "IE" Millstone for his centennial birthday that occurred on January 6, 2007.

In the past several decades, Mr. Millstone has been nothing less than a business and civic visionary, contributing greatly both to the Saint Louis region and to the larger world.

With his firm, Millstone Construction Company, I.E. Millstone has literally built Saint Louis. His works include the Busch Memorial Stadium, highway 64/40, and the Federal Building downtown. His company has constructed everything from office towers to shopping malls to bridges and you can witness his work throughout the area.

Not content with achieving merely financial success, Mr. Millstone has been a dedicated philanthropist as well.

The impact of his leadership and generosity has been felt far and wide, from his local efforts, securing the Jewish community center for the St. Louis Jewish population and providing the resources for scholarships and various campus structures at Washington University, to his international efforts in Israel, building sustainable housing for new immigrants and helping to establish the Hebrew University.

For his hard work the world over, Mr. Millstone has been honored with numerous awards. He has earned the respect and admiration of not only family and friends but his community.

Madam Speaker, Mr. Millstone has been a true patriarch of the Saint Louis area, and it is my honor to recognize his 100 years of life.
